### ***Reviews***

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

*(Dr. Kayden Gerlach)*

## FULL DISCLOSURE

Baker Publishing Group, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. Dee Henderson Is Back! Ann Silver is a cop's cop. As the Midwest Homicide Investigator, she is called in to help local law enforcement on the worst of cases, looking for answers to murder. Hers is one of the region's most trusted investigative positions. Paul Falcon is the FBI's top murder cop in the Midwest. If the victim carried a federal badge or had a security clearance, odds are good Paul and his team see the case file or work the murder. Their lives intersect when Ann arrives to pass a case off her desk and onto his. A car wreck and a suspicious death offer a lead on a hired shooter he is tracking. Paul isn't expecting to meet someone, the kind that goes on the personal side of the ledger, but Ann Silver has his attention. The better he gets to know her, the more Paul realizes her job barely scratches the surface of who she is. She knows spies and soldiers and U.S. Marshals, and has written books about them. She is friends with the former Vice President. People with good reason to be cautious about who they let into their lives deeply trust her. Paul wonders just what secrets Ann is keeping, until she shows him the John Doe Killer case file, and he starts to realize just who this lady he is falling in love with really is.
