

# The Many-Headed Hydra: Sailors, Slaves, Commoners, and the Hidden History of the Revolutionary Atlantic

Filesize: 2.33 MB

## ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Beacon Press, 2001. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: For most readers the tale told here will be completely new. For those already well acquainted with the seventeenth and eighteenth centuries, the image of that age which they have been so carefully taught and cultivated will be profoundly challenged. --David Montgomery, author of *Citizen Worker* "A landmark in the development of an Atlantic perspective on early American history. Ranging from Europe to Africa to the Caribbean and North America, it makes us think in new ways about the role of working people in the making of the modern world."--Eric Foner, author of *The Story of American Freedom* "What would the world look like had the levelers, the diggers, the ranters, the slaves, the castaways, the Maroons, the Gypsies, the Indians, the Amazons, the Anabaptists, the pirates . . . won? Peter Linebaugh and Marcus Rediker show us what could have been by exhuming the revolutionary dreams and rebellious actions of the first modern proletariat, whose stories~until now~were lost at sea. They have recovered a sunken treasure chest of history and historical possibility and spun these lost gems into a swashbuckling narrative full of labor, love, imagination, and startling beauty." --Robin D. G. Kelley, author of *Yo' Mama's Disfunktional!* " The Many-Headed Hydra is about connections others have denied, ignored, or underemployed. In the sixteenth and seventeenth centuries, Europe, Africa, and the Americas came together to create a new economy and a new class of working people. Peter Linebaugh and Marcus Rediker tell their story with deep sympathy and profound insight. . . . A work of restoration and celebration of a world too long hidden from view."--Ira Berlin, author of *Many Thousands Gone: The First Two Centuries of Slavery in North America...*
