But on looking at the engraving I find the whip is there, though not very distinctly shewn: and this correction was also given in a later number of Notes and Queries. Ed. 227.-- Robert De Holcot.--Although there is some uncertainty as to the exact birthplace of this celebrated author there is no reason to doubt that he was a native of Northamptonshire. Leland calls him Avoniae Borealis alumnus, to which Bale subjoins seu Northamptonae, as does the MS. Trin. quoted by Tanner in his note. Pits says North amptonae in Anglia natus, in which he is followed by Henry Wharton in the appendix to Cave's Historia Lilleraria. Fuller, however, both in his Church History and in his Worthies of England, states that he was born at Holcot, a village in the county of Northampton, and in the margin of his Worthies alleges Camdens...
