ON STREETS OF GOLD

Tate Publishing Enterprises, United States, 2012. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.On Streets of Gold is a roller-coaster ride into the world of the supernatural. Retired professor Ben T. Jacobs has been pining away over the loss of his beloved, deceased wife. A near-fatal heart attack sends the unbelieving protagonist into a coma and begins an incredible journey into the unknown. After escaping from a trip to hell, his journey lands him in heaven, where he attempts to connect with his lifelong partner. Intense, angelic warfare is balanced throughout by several tender, unfolding love stories. Front and centre is an up-close look at the character and love of God in His dealings with mankind. One world spills constantly into another as relatives and friends left behind try to work out their own lives in the shadow of their comatose dad and closest friend. Always simmering on the back burner is a mounting revival in which a now-believing professor is being asked to play a major role upon his return to Earth.
