Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

HUMAN SECURITY IN AN INSECURE WORLD

Dialogue Consultation Press, United States, 2012. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This study-based in part on an Interactive Dialogue held at the University of Maryland-addresses the emergence of a new doctrine of international relations known as human security. Whereas traditional concepts of national security focus on the safety of states, human security is concerned with the wellbeing of individuals. The United Nations, for example, defines human security as encompassing human rights, good governance, economic opportunity, education, and healthcare. The panelists featured in Human Security in an Insecure World offer diverse perspectives and analyses, but they agree that achieving human security is a long-term process, that the international community needs to develop an appropriate institutional architecture, that collaborative approaches are paramount to achieving security beyond a mere absence of violent conflict, that understandings of sovereignty need significant rethinking and adaptation, and that principles and spiritual beliefs are important foundations for achieving meaningful progress on these goals. The Interactive Dialogue transcript is presented together with an Introduction, explanatory notes, appendices, and an extensive annotated bibliography.
