# DSLs IN ACTION

Manning Publications. Paperback. Book Condition: new. BRAND NEW, DSLs in Action, Debasish Ghosh, DESCRIPTION Every domain of the business world, from sales to warehousing to shipping, has a language all its own. A DSL, or domain specific language, is a computer programming language that is created with a particular domain in mind. Because it uses familiar terminology, and because it is designed to be simple, a DSL can be used by nontechnical business people to write or at least change existing programs. DSLs are developed from normal...

## Reviews

*This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.*
