## IMPERIAL CRUSADES: AFGHANISTAN, IRAQ AND YUGOSLAVIA

Verso Books. Paperback. Book Condition: new. BRAND NEW, Imperial Crusades: Afghanistan, Iraq and Yugoslavia, Alexander Cockburn, Jeffrey St. Clair, The war on Iraq didn't begin with the lethal pyrotechnics of Shock and Awe, and it didn't end with George W. Bush's made-for-TV aircraft landing. Undetected by the mainstream press, the US campaign against Iraq began many years before, featuring cruel sanctions, weekly bombardments, and assassinations. With Saddam deposed, the US now finds itself mired in a grinding occupation, its troops under constant attack with no exit in sight. Iraq was just one of three major imperial crusades in the last decade, orchestrated by a new generation of American politicians, both Democrat and Republican, who backed pre-emptive strikes to overthrow unruly regimes in Yugoslavia and Afghanistan under the pretext of humanitarian intervention. Alexander Cockburn and Jeffrey St. Clair reported on these wars as they happened. Years ahead of the pack, they exposed the economic motives behind the wars and how fraudulent intelligence, a spaniel press corps, a servile United Nations, and corporate propaganda techniques were used to sell them to the public. Imperial Crusades chronicles the lies that are now returning almost daily to haunt the liars in Washington and London, the secret agendas and the under-reported carnage of these wars. It is a ripely vivid, blow-by-blow commentary from Cockburn and St. Clair, and regular CounterPunch writers such as the late Edward Said, former marines Chris White and Scott Cossette, historians Gary Leupp and Doug Lummis, psychologist Carol Norris, economist Paul de Rooij, human rights lawyer Joanne Mariner, and former senior CIA analysts Bill Christison and Ray McGovern.
