

Variety Italian Cut Work and Filet Lace (Classic Reprint)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

VARIETY ITALIAN CUT WORK AND FILET LACE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Variety Italian Cut Work and Filet Lace In Variety the needleworker will find various kinds of artistic needlework with carefully written directions and many illustrations at a cost which does not exceed that generally asked for books which contain only one kind of needlework. Another feature of the book which makes it distinct is the fact that it is the first book of its kind printed in the United States which - to the writer s knowledge - contains directions for making Italian cutwork and point lace. Also the designs for filet lace contained in this book have been printed in blue in order to facilitate the work. They will be found far less fatiguing to the eye than the usual black and white designs. They are also unusually large and can be easily followed. Many of the designs may be used as tidies or doilies, or may be set into linens. Motifs of point lace and filet lace may be set into linens for bedroom or table use. Centerpieces, bureau scarfs, doilies, curtains and many other articles are extremely effective when ornamented with this artistic needlework. We have endeavored to give filet workers a number of original designs having new ideas, yet not losing the style of the antique designer. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
