He has a dream job as a travel writer and he s dating his dream woman. Everything seems to be on track until his best friend Gemma calls and he finds himself in unexplored territory, heading for a place where me might just become us . Gemma thinks she ll never need a map again. Not yet thirty, she s ended up in exactly the right place just married, with a great career, and a fabulous almost-renovated house. But when she tells her husband she doesn t love him anymore, Gemma is forced to embark on a journey of the heart for which no maps have been written.
