One part of the garden was laid out in walks and avenues, with little vine-clad bowers here and there, where the Princess could sit and read, or lie and dream. There were fountains and statues among the trees, and everything grand and stately to make a garden beautiful. Another part of the garden was left wild and tangled, like a forest. Here all the shyest flowers grew in their own wild way; and here ran a little brook, gurgling over the pebbles in a race to the foot of the hill. There never was seen a more complete and beautiful garden than this of the Princess Fleurette. Now the fame of the Princess's beauty, like the fragrance of her garden, had been wafted a long way, and many persons came to prove it. A continual procession of princes from lands near and far traveled the long road that wound from the foot of the hill up and up and up to the entrance of the palace. They came upon their noble steeds, with gold and jeweled harness most gorgeous to see,...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
