

Beakers, Bubbles & the Bible : Bible Lessons from the Science Lab

By Tina Houser

Warner Press. Paperback / softback. Book Condition: new. BRAND NEW, Beakers, Bubbles & the Bible : Bible Lessons from the Science Lab, Tina Houser, What do electric pickles, homemade snow and slime have to do with the Bible? PLENTY, according to Tina Houser. Join Tina, a.k.a. Dr. Fran Bunsenburner, as she takes us into her laboratory (that looks suspiciously like a Sunday school classroom). Once inside, she will demonstrate a variety of scientific experiments that are sometimes strange, sometimes quirky and always fun! Kids love to watch surprises unfold before their eyes, and Tina has a real gift for turning stupefying experiments into Bible lessons. These projects are simple to perform but will make lasting impressions on kids. By making the learning fun and memorable, Tina gives children the tools they need to live godly lives for years to come. So bring you curiosity, step into the lab and see what Dr. Bunsenburner is up to next. Item Number: SKUE1503.
