Field, Laboratory, and Library Manual in Physical Geography (Classic Reprint)

By C T Wright

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Field, Laboratory, and Library Manual in Physical Geography In offering this manual to the public the author wishes to express the hope that it may prove helpful to his fellow-teachers, and that teachers and pupils alike may get from it at least a portion of the pleasure that he has taken in working out its exercises. The manual consists of readings and exercises selected from those which he has used in his own classes in the high school. He hopes that they may be of value in guiding others in their first attempts at scientific investigation and research. Physical geography gives the student a broader outlook than any other science in the curriculum of secondary schools. It is a proper culmination of the nature study of the grammar school, and an appropriate introduction to the more technical and rigid sciences of the high school. Its value arises in part from the fact that it touches nature in so many places. Its many sidedness and its alluring bypaths have tempted pupil and teacher alike. However enjoyable...
