## I AM WOMAN, HEAR ME SNORE: A CATHY COLLECTION

Andrews McMeel Publishing, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: When it comes to matters of love, food, shopping, and men, nobody has more experience or knows the attending trials and tribulations better than Cathy, the namesake of one of the most popular cartoon strips of all time. Cathy, through more than two decades, has developed into a hilarious forum for the problems and challenges faced by modern women. Now, I Am Woman, Hear Me Snore delivers another delicious excursion into the world of this forever-flabbergasted female as she navigates her way through chocolate desserts, less-than-satisfying boyfriends, parental advice, and life's many other hazards. We see Cathy battling diet books, the bathroom scale, and a constantly rising body weight only to conclude, "I used to be a 'yo-yo' dieter. Now I'm just a 'yo' dieter". And there's our heroine swallowing a double serving of reality in the grocery produce section after possible-date-material Kenny answers her questions, "Are you involved?" with. "I'm involved in cross-training, circuit training, mental endurance training."
