Created during the turmoil of the Civil War, Arlingtons story reflects much of Americas own over the past century and a half. The mansion at its heart, and the rolling land on which it sits, was the family plantation of Robert E. Lee before he joined the Confederacy; strategic to the defense of Washington, it became a Union headquarters, a haven for freedmen, and a burial ground for indigent soldiers before Secretary of War Edwin Stanton made it the centerpiece in the newly established national cemetery system. It would become our nations most honored resting place. No other country makes the effort the United States does to recover and pay tribute to its war dead an effort Poole reveals in poignant details from the aftermaths of the Civil War, Spanish-American War, World Wars I and II, Korea, Vietnam, and the conflicts in the Gulf and Afghanistan today. Every tombstone at Arlington tells a story: from scientists and slaves to jurists and generals and tens of thousands of ordinary citizen-warriors, among the more than three hundred thousand interred on Arlingtons 624 acres. Their sagas, and the rites and rituals that have evolved at Arlington the horse-drawn caissons, marble headstones, playing of Taps, and rifle salutes speak to us all. Exclusive Bonus Audio: New interviews, conducted by the author with a range of key players in the cemeterys history and day-to-day operations. Wayne Parks, the great grandson of a slave owned by the Robert E. Lee family who later became the first cemetery groundskeeper; Gunnery Sergeant William J. Dixon, a Marine and Iraq war veteran who oversees the quality control of Marine funerals at Arlington;...
