Re/Search Publications, United States, 2013. Paperback. Book Condition: New. 154 x 100 mm. Language: English . Brand New Book. These interviews with Henry Rollins conducted by RE/Search (and Search Destroy) founder V. Vale focus on Henry s travels -- often to countries considered dangerous and off-limits. There are references to Punk Rock history, the Occupy movement, and numerous personal adventures and experiences over the past 30-plus years of combing the planet giving musical and Spoken Word performances, and generally being as creative and humorous as possible no matter what the situation may be. Whatever Henry wants to do, he does it while giving his full attention, like a kind of Zen master. RE/Search tries to reveal the full scope of his creativity, achievements and darkly sardonic perceptiveness and contempt for cliché. This book is full of both humor and inspiration.
