

Italian Backgrounds

Filesize: 2.07 MB

Reviews

It is in a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dr. Barney Robel Jr.)

ITALIAN BACKGROUNDS

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Edith Wharton says. As with the study of Italian pictures, so it is with Italy herself. The country is divided not in partes tres, but in two; a foreground and a background. The foreground is the property of the guidebook and of its product, the mechanical sightseers; the background, that of the dawdler, the dreamer, and the serious student of Italy. The nine chapters are - An Alpine Posting Inn, A Midsummer Week s Dream. The Sanctuaries of the Pennine Alps, What the Hermits Saw, A Tuscan Shrine, Sub Umbra Lillorum. March in Italy, Picturesque Milan, and Italian Backgrounds: then there are twelve illustrations reproduced from Peixotto pictures. This traveller s story runs a fine thread of scholarship, of savoir faire, of cosmopolitanism, not easily to be matched in travel-literature. The book has distinction of style, as impossible to resist as to define. The book is full of exquisite impressions concerning matters not to be found in the guide books and shows the combination of thorough knowledge based on original research, an ability to enter into and value different aspects of life and different forms of art, and a finished and suggestive style. An intimate acquaintance with Italian art and nature, an insight into southern life, and an exquisite literary style - all of which belong to this writer - are necessary for such a study.
