Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Des Moines Plan of City Government: Passed by the Thirty-Second General Assembly of Iowa, Adopted by the City of Des Moines at a Special Election Held June 20th, 1907 The new municipal charter, known as the Des Moines Plan of City Government, was not the outcome of a crisis, or the issue of a sporadic reform movement, but was rather the direct result of strong convictions on the part of the business men. This led to an agitation favoring the application of business methods to the management of our municipal affairs, and resulted in the recent adoption, by the citizens of Des Moines, of a charter which embodies many new ideas in local self-government. Its adoption presents the most important as well as the most radical experiments in municipal government ever attempted in the United States and its many unusual features are attracting favorable comments throughout the country. The following is an exact copy of the law, printed in sections, together with a short statement, just above each section, stating in clear and concise language the principal features of that portion.
