Not illustrated. 1882 Excerpt: .the favourite ditty of Naples--not to be escaped from by the travellers on their arrival in the bay, while wearily waiting until paternal government should have counted their numbers and called their names, and set them free to go ashore--or by the pilgrim when issuing from the City of the Dead, Pompeii. I have a collection of the commonest street ditties, which I picked off the wall of a church in Naples, where they hung in fifties--purchased for an English shilling or thereabouts; and one and all of these are in the Barcarole or Brindisi measure: to make an arbitrary use of familiar words. Here, however, is one-which is somewhat odd, from an episodical phase of three bars which disturbs the symmetry of the rhythm. I hare offered this specimen because of its irregularity; observing nevertheless, that though the same is duly printed, the odd bar...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
