THE FOUNTAIN OF TRUTH

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.This book, A Fountain Of Truth, is a result of my personal need for a book that would tell me the answer to many questions about who God is, what He is all about, what He has done, how old He is, what does He look like, what language does He speak, what are His goals, how and when will He accomplish these goals, where did I come from, where am I going, and what does He want from me? All these questions and many more are answered by the great I Am, Himself. All this information is given, not only in written word, but also in hundreds of easy to understand illustrations from His created, natural, things. It is also given in the personal accounts of many historic role models. When I found the answers to all of these questions, then I realized that I had actually found the Fountain Of Truth. My restless spirit was satisfied and contented. I am no longer restless and searching for the answers to the questions that had caused me to feel insecure and alone. A great peace has settled over me like a great comforting blanket directly from the great God of the Bible. I believe God offers everyone a God Blankie. The search is now over for me. I am now basking in the wonderful glow of truth. I believe the search can be over for everyone. The great security blanket is available to anyone who will read and believe God s answer book. The Bible is the absolute Fountain Of Truth. Ten million thanks to Cate Velasquez for the labor of love in typing this on computer and...
