EP BOOKS, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A farmer, searching the moors at night for his son, missing after a skirmish in the English Civil War, stumbles across a Royalist soldier lying severely injured in a ditch. His decision to help the man will have surprising repercussions in years to come, both for his own family and for the stranger whose life was saved at great personal cost to his rescuers. Set in times when to refuse to conform to the forms of worship imposed by the state was to risk fines or imprisonment, *Stronger than the Sword* depicts a typical family living in Somerset in the mid-seventeenth century. The circumstances of their lives, and those of their friends, are set in the context of stirring historical events, and interwoven into the narrative are numerous references to real-life historical characters, including Joseph Alleine, John Bunyan and the early Baptist leader Hanserd Knollys, as well as notable political figures.
