Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Aedan Finn was 10 years old when the Ridians to the north kicked down his door in a raid and killed his father in front of him. His father was Ronan Finn, one of the Thillian s greatest warriors. The Thillians and Ridians had been at war for years and shortly after the killing the war ended. Aedan is left to deal with the pain and soon discovers how difficult it is to live in times of peace when all he wants is a fight. Eventually he decides to leave home and travels north to the land of those he hates the most. He wants nothing more than to burn their cities to the ground and make them feel his pain. He s ready to start another war and end the peace that his father died fighting for. He eventually comes face to face with his enemy and discovers that things weren t quite how they had seemed. With some help from people he meets along the way and memories of what his father had taught him, he starts to discover that they might not be all that different from himself. When the bigger picture starts to reveal itself he finally gets a glimpse of what he s spent his whole life searching for. Excerpts: 1. When they marched, the ground shook, dark clouds would roll in and block the sun. The men in our army would tremble with fear before them, but not my father. I imagined him running towards them, sprinting right past our front line, he was the only man unafraid. Roaring like a lion he d pull back his sword and with one effortless...
