Brand New Book ****** Print on Demand ******.Your Own Neuron is a daring adventure of parapsychology through the darkest and most enigmatic regions of the human mind. The human mind possesses various mysterious abilities that are often considered as science fiction. In this book the author investigates the foggy world of paranormal activities with the tools of modern neuroscience. International bestselling author, Neuroscientist Abhijit Naskar elucidates how the bizarre parapsychological phenomena such as telepathy, clairvoyance, precognition, premonition, afterlife do not possess any kind of paranormal element after all. The book illustrates the hardcore biological foundation behind all kinds of paranormal experiences. These fascinating experiences are the gift from Mother Nature that make human beings the most inexplicable species on planet earth.
